The Miracle League of Camden County is raising money to build a baseball field that will be covered with a rubberized surface which allows children with special needs, including those with walkers and wheelchairs, to participate in the game of baseball. Each player also has a buddy to help with batting and "running" bases. The PSA of Camden County has donated a field at Lion's Park to be transformed into a Miracle Field. That field will be named "Justin's Miracle Field", in memory of Justin Norris, who passed away in December 2009. There are over 1000 children in Southeast Georgia and Florida with special needs that would benefit from this field. Every child should have the opportunity to play baseball.

*Thank you for helping make this dream come true!*
